**This work is dedicated to all the Revolutionary
War Patriots
buried in Putnam County
whose dedication to American principles
contributed so much
to the founding of our great country.**

In honor of the 403 Revolutionary War patriots buried in Putnam County, the Enoch Crosby Chapter, National Society Daughters of the American Revolution has produced a book containing digital color photographs of the 325 gravestones of proven and suspected patriots still existing in 52 cemeteries throughout the county.

**The publication of this book has been timed to coincide with the celebration of
the 200th anniversary of Putnam County on June 12, 2012.**
